

**Raise Your Voice**  
from Sister Act

First rule of singin', get the rafters ringin'  
Toss everything in, dig down deep inside  
When you've got a song worth hearin'  
There's one thing to do  
Keep your fear from interferin'  
And let that sucker burst through

Raise your voice, lift it up to heaven  
Raise your voice, come on, don't be shy  
If you feel it, why conceal it?  
Let your soul rejoice!  
Raise the stakes, raise your game  
Raise your voice!

Why so quiet? Get right up and try it!  
Don'tcha deny it, stand and sing with pride!  
If you want the world to listen stand up tall and proud  
Let 'em know what they been missin' and turn that volume up loud!

Raise your voice, push it to eleven  
Raise your voice, turn those speakers high!  
Don't downplay it, stand and say it  
Like you've got no choice  
Raise your game, raise some hell

Raise your voice, get your mojo revvin'!  
Raise your voice, let your freak flag fly!  
Don'tcha hide it, why not ride it  
Like it's God's Rolls Royce!  
Raise some heat, raise some Cain!  
Raise it to a higher plane!  
Raise your heart, raise your soul.  
Raise your voice!
